

Quick Start

Launch Rosetta Stone

Under the Rosetta Stone Home tab, click **Launch Rosetta Stone.**

If a System Check window opens, follow any onscreen instructions to update your system. When you've finished setting up your system, click **Check My System Again.**

If you don't see the System Check window, your system is fine.

Web Browser	Chrome 8 or higher Firefox 3 or higher Internet Explorer 6 or higher Safari 3 or higher
Cookies	Enabled
Adobe Flash Player	Version 9.0.47 or higher
Speech Component	3.2.18
<p>We recommend that you download and install the latest version of the speech component.</p> <ul style="list-style-type: none"> Click to download the speech installer Double-click the "setup" file you downloaded to install the speech component. Follow the prompts to install the speech component. Click the "Check My System Again" button once you have installed the speech component. 	
Bandwidth	Broadband

Note: The speech component is necessary for the full Rosetta Stone experience.

If prompted, download the speech installer and follow the steps to install.

Start Your Course

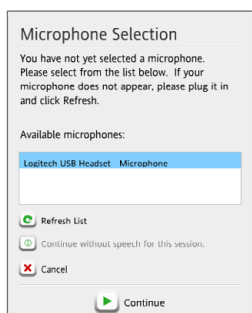

When the Home Screen appears showing your first Core Lesson, click **Start**.

The Home Screen displays your progress in Rosetta Stone®. A check mark appears when you've completed an activity and received a passing score.

Set Up Your Microphone

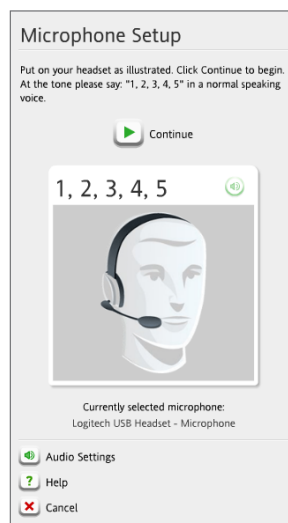

Plug in your microphone headset, and position it with the microphone in front of your mouth. Follow the prompts on the Microphone Selection screen. If your microphone is not listed, click **Refresh List**.

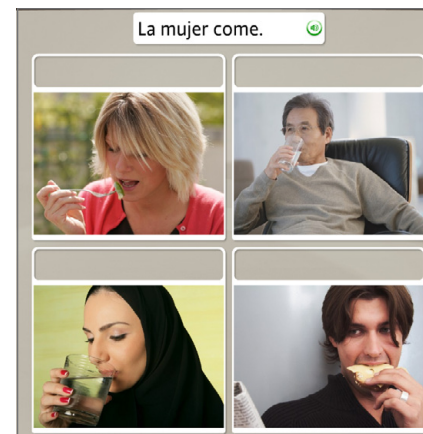

Note: Your headset needs to meet Rosetta Stone specifications.

On the Microphone Setup screen, click **Continue**. At the tone, speak in a normal voice: "1, 2, 3, 4, 5." A confirmation will appear when setup is successful.

Click **Continue** to complete microphone setup.

Begin Learning

For more assistance with setup, click the Support tab on the Rosetta Stone portal, or visit success.rosettastone.com.
